

Dear Students & Parents,

Greetings from Global Olympiads Academy (G.O.A.)!

Together with your child's school, we invite your child to participate in International Olympiads from South East Asian countries like Singapore and Hong Kong which are organized and conducted by us in India. This is an excellent opportunity for the kids to get exposure to truly international competitions which focus on problem solving and higher order thinking skills.

Please visit our website www.globalolympiadsacademy.com where you will find many international competitions to choose from for your child and then register through your school or register individually from our website: www.globalolympiadsacademy.com for all competitions except SEAMO where you can sign up directly as www.seamo-official.org
